

CATHEDRAL FRIENDS

You are warmly invited to become a Friend of ChristChurch Cathedral and help continue the long tradition of support for the Cathedral.

ChristChurch Cathedral stood in Cathedral Square as an iconic spiritual, architectural and historical feature, at the very heart of this southern city. It embodies much of Christchurch's past and is where the city came both to celebrate and to grieve.

Since the devastating earthquakes of 2011, these Cathedral roles have been transferred to the Transitional "Cardboard" Cathedral an inspirational building designed by Pritzger Prize-winning Japanese architect Shigeru Ban. The Friends continue to support the ministry of the Transitional Cathedral while the older building is re-instated in Cathedral Square

Your support, as a Friend of the Cathedral, will ensure that this Cathedral continues to offer a range of regular worship opportunities, choral music of the highest quality and to be a place of pilgrimage for the over 300,000 who visit here annually.

Over the years the Friends have continued to help finance major projects undertaken by the Cathedral Chapter.

Some of these have included, at the old Cathedral:

- The Pacific Chapel Restoration
- Supplying Prayer and Hymn Books
- Organ Renovations
- Re-designing the Chancel
- Clergy Vestments
- The Friends Choral Scholarship
- Cathedral Office Upgrade
- Christmas Tree Lights
- The Sound System
-

And in the Transitional Cathedral:

- A 10m artificial Christmas Tree for the Transitional Cathedral
- A new ciborium

People from all places and walks of life constitute the Friends of Christ Church Cathedral.

Their interest and support is in both the old Cathedral as a great spiritual, historical and architectural treasure, and the Transitional Cathedral as a modern iconic and inspirational place of worship, pilgrimage and community.

The Friends of the Cathedral supports the ministry of the Cathedral. It is not a fundraising body for the re-instatement of the old Cathedral. A separate charitable entity is being established in 2018 for that purpose.

We warmly invite you to join us on the exciting journey of belonging to one of New Zealand's most valued icons as together we ensure the Cathedral's ongoing life for future generations.
